I like nonsense -- it wakes up the brain cells. Fantasy is a

necessary ingredient in living. It's a way of looking at life

through the wrong end of a telescope...and that enables you to

laugh at all of life's realities.

Anyway, no drug, not even alcohol, causes the fundamental ills of society. If we're looking for the source of our troubles, we shouldn't test people for drugs, we should test them for stupidity, ignorance, greed and love of power.

COVER CONTEST
BLOODWARS MAGAZINE

Bloodwars is having a Cover Contest.

What you need to do

Send an object you would like to see on the cover of Bloodwars. The object (s) i.e. original artwork, essay, poem, drawing, photo, magazine, doll, lid, can, envelope, hat... anything... will be used for issue number 10 due out in October. I will design the cover using the object. The objects not selected for the cover will be given credit and seen either through out the mag or on a spread. Credit will be given.

What the selected object owner will receive

An interview in Bloodwars about the object and you, gift pack including: two mean streaks, odd little objects, stickers, one t shirt, piece of art work, buttons, a copy of a lovely little mag out of London called Dirty Soup, and other little surprises to play or display in your space.

Must submit your object by September 15th. Objects will not be returned. They most likely will end up in my artwork.
